

**APPLICATION FOR PERMIT
TO APPROPRIATE THE PUBLIC WATERS OF THE STATE OF NEVADA**

Date of filing in State Engineer's Office..... SEP 23 1974

Returned to applicant for correction..... NOV 1 1974

Corrected application filed.....

Map filed.....

The applicant..... James T. Price

....., of Goldfield

Street and No. or P.O. Box No.
Nevada 89013

City or Town

....., hereby make application for permission to appropriate the public

waters of the State of Nevada, as hereinafter stated. (If applicant is a corporation, give date and place of incorpora-

tion; if a copartnership or association, give names of members.) I have repaired the old Lida-
and installation of 3500' new plastic 2" pipe from underground spring in Goldpoint water line by welding
Town of Lida, Nevada to my Empress Mine mill site 3 miles NW along Lida Road from Goldpoint, Nev. Repairs completed 1968 water flows by gravity
into 30' ft diameter x 8' concrete tank kept in excellent repair. I wish
permission to use water permanently. Lida underground stream.

1. The source of the proposed appropriation is..... Name of stream, lake or other source.

Lida, Nevada

2. The amount of water applied for is..... 2 (two)..... second-feet
One second-foot equals 448.83 gals. per min.

(a) If stored in reservoir give number of acre-feet 30 foot diameter circular x 8' deep
acre-feet

3. The water to be used for..... Mining
Irrigation, power, mining, manufacturing, domestic, or other use.

4. If use is for:

(a) Irrigation (state number of acres to be irrigated).....

(b) Stockwater (state number and kinds of animals to be watered).....

(c) Other use (describe fully under "No. 12. Remarks").....

(d) Power:

(1) Horsepower developed..... Will return water to pond for grazing

(2) Point of return of water to stream..... cattle. Surplus water can be stored
for emergency use (fire - livestock etc.)

5. The water is to be diverted from its source at the following point: 3 miles NW of Goldpoint on
Goldpoint Lida Road on unsurveyed land. Water presently flowing
out of pipe onto ground for use of open range cattle. Present

Describe as being within a 40-acre subdivision of public survey, and by course and distance to a section corner. If on unsurveyed land,
tank has overflow to return water to pond. No chemicals will be
it should be stated. used.

6. Place of use Goldpoint Nevada unsurveyed.
Describe by legal subdivision, if on unsurveyed land it should be so stated.

Unsurveyed area 3 miles NW of Goldpoint Nev. on Lida Goldfield

Road. Area is clearly identified by a large concrete water tank

and crusher foundation.

..... in use for 7 years.

7. Use will begin about..... and end about indefinite....., of each year.
Day and Month Day and Month

8. Description of proposed works. (Under the provisions of NRS 535.010 you may be required to submit plans and

specifications of your diversion or storage works.) one large 30' x 8 ft deep tank,

crusher foundation, mining table foundation.

State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits.

9. Estimated cost of works.....\$4000

10. Estimated time required to construct works.....completed improvements 3 months.....

11. Estimated time required to complete the application to beneficial use 6 hours

12. Remarks: For use other than irrigation or stock watering, state number and type of units to be served or annual consumptive use.

I have constructed and used these facilities since 1968. The old Lida-Goldpoint pipeline was abandoned many years ago. With the co-operation of the Lida Ranch (Linkletter) we jointly restored the pipe for use of cattle and my mill. Water flows from Lida 8 miles to the tank and pond by gravity. When not running in the cow pond a valve sends it into the tank, thru the system and back.

Applicant.....s/ James T. Price
Box 225
Goldfield, Nev.
